

# Tim Hunt

*Global Dairy Strategist,  
Food & Agribusiness Research and Advisory*

*Tim Hunt is the global strategist and team leader of the Rabobank Food & Agribusiness Research and Advisory Dairy team – based in New York.*

*Rabobank's Food & Agribusiness Research and Advisory (FAR) team is charged with analysing developments in food and agricultural markets and industries, and advising the bank and its clients on strategic implications for their businesses. Comprised of a network of some 80 analysts spread across every major production and consumption region of the world, FAR is a central component of the bank's capacity for informed credit decision making, product development, advisory services, and strategic client partnerships.*

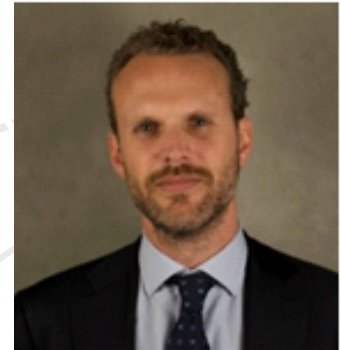

*Tim is a professional economist with 17 years experience, gained through working with leading financial institutions and strategic consultancies in Australia, England and the United States.*

*Tim's responsibilities at Rabobank include :*

- Analysing developments in the regional and global dairy markets;*
- Co-ordinating the Bank's medium term dairy forecasts;*
- Advising the Bank on its engagement with the dairy industry;*
- Advising clients on the implications of market developments for their businesses; and*
- Assisting with M&A advisory.*

*Tim is the lead author of Rabobank's annual and quarterly global dairy market reports and has been a regular and highly sought after speaker at local and international conferences for more than 10 years.*

*Tim graduated from the University of Melbourne in 1993 with an honours degree in Economics and Bachelor of Commerce and Bachelor of Arts degrees*

# Tim Hunt
